JOB VACANCY – ING SP

Job Title: Intern
Department: Trade & Commodity Finance

ING Bank NV is a large international financial institution that provides banking services in 40 countries across Europe, Asia and the Americas. With a focus on emerging markets, the T&CF is responsible for the relationship and credit analysis of our clients in agricultural commodities sectors.

We are looking for one intern to join the T&CF team. The Intern will actively support the bankers in the soft commodities industry. The ideal candidates are undergraduate students of a top ranked university passionate for finance and with strong ownership.

Main Activities:

- Prepare internal and external presentations;
- Research the various sectors such as sugar, grains, metals, oil & gas
- Assist in the preparation of credit proposals;
- Assist on Know-your Customer and due diligence process;
- Filling financial spreadsheets and generate internal credit ratings
- Financial Modeling, etc.
- Use of information tools (like Bloomberg)

Qualification & Skills:

- Undergraduate degree in Business Administration, Economics, Engineering or related courses;
- Expected graduation: Dec-21 onwards;
- English is a must. Spanish is a plus;
- Good knowledge and use of Office package, especially Excel and PowerPoint;
- Analytical skills, critical mindset and self-starter;
- Strong communication skills (verbal and writing) and a team work player.

If you are interested you can apply or making nominations sending updated resume to human.resources@ing.com with the subject "CV – T&CF"
