Letter of adhesion to the PrInt project of the Mackenzie Presbyterian University

Dear Sir or Madam,

We confirm through this letter the association of the University of Ljubljana with the Mackenzie Presbyterian University, in response to the Edital Capes PrInt Project n°. 41/2017 (2019-2024), for discussion on possible collaboration in the joint research related to the “Effect of adopting sustainable practices on corporate financial decisions”, linked to the project “Theory and application for business innovation’ of the theme ‘Human scale: brain, cognition, and behavior’.

We consider it to be mutually beneficial to strengthen the links between our two academic communities and contribute to greater internationalization and understanding between the two institutions.

The University of Ljubljana representative for the PrInt project is Prof. dr. Polona Domadenik Muren.

Warm regards,

Prof. dr. Metka Tekavčič
Dean
