**INSTITUTIONAL PROJECT FOR INTERNATIONALIZATION OF CAPES PROGRAM - Print
UNIVERSIDADE PRESBITERIANA MACKENZIE**

Call Notice. Call for Admission Procedure for Postdoctoral Scholarships in the Country

According to CALL NOTICE No. 41/2017 of CAPES (Available at: <https://www.gov.br/capes/pt-br/aceso-a-informacao/acoes-e-programas/bolsas/bolsas-e-auxilios-internacionais/informacoes-internacionais/programa-institucional-de-internacionalizacao-capes-print> Accessed on: 06, Feb. 2023. COORDENAÇÃO DE APERFEIÇOAMENTO DE PESSOAL DE NÍVEL SUPERIOR.), the main goals of the Institutional Project for Internationalization (PII) of the Universidade Presbiteriana Mackenzie (UPM), connected to the CAPES-Print Program, are to foster international research networks with the purpose of enhancing the quality of the academic production related to postgraduate studies; to widen the actions to support internationalization in postgraduate studies and to promote international academic mobility for the participant postgraduate programs.

1. OPENING

THE PRO-RECTOR FOR RESEARCH AND POSTGRADUATE STUDIES OF THE UNIVERSIDADE PRESBITERIANA MACKENZIE (UPM), as a Chairman of the Group Managing the Institutional Project for Internationalization informs the opening of applications for the year of 2023 for Postdoctoral Scholarships in the Country, within the scope of the Institutional Project for Internationalization of CAPES - PrInt Program of UPM. This Call Notice includes the submittal of proposals for only one category of financing, which are Scholarships connected to the Research Projects.

2. PURPOSE

- 2.1 The Postdoctoral scholarship in the Country with experience abroad is intended for young researchers and professors, Brazilians or foreigners, residing in Brazil or abroad.
- 2.2 The applicants must have relevant scientific and academic experience abroad, such as full doctorate or postdoctorate for at least twelve months.
- 2.3 The applicants will apply for the scholarship for research or teaching activities.
- 2.4 The Postdoctoral grant in the Country seeks to enable young researchers with proven relevant academic and scientific experience to come, with the purpose of contributing to the education of students of the Postgraduate Programs (PPGs) which are a part of the Institutional Project for Internationalization of the CAPES-PrInt Program of UPM. Thus, the scholarship student will contribute to form high level human resources to be included in the academic, teaching, and research circles in the country.
- 2.5 For this type of grant, the researcher is expected to contribute to the consolidation of collaborative international networks to increase the visibility of the PPGs and contribute to high-impact intellectual and technological productions.
- 2.6 The grantee must contribute to enhance the level of collaboration and joint publications among him(her) and the professors of the program by supporting UPM's internationalization process.
- 2.7 The topics of the projects to which the postdoctorate grant is related, due to the type of

Institutional Project for Internationalization of the CAPES - PrInt Program of UPM, are included in Schedule I.

3. REQUIRED QUALIFICATIONS OF THE APPLICANTS

3.1 *To be a Brazilian or a foreigner residing in Brazil or abroad.*

3.2 *To have scientific and/or academic international experience, e.g., full doctorate or post-doctorate for at least twelve months abroad.*

3.3 *To prove the international collaborations undertaken.*

3.4 *To have high-impact intellectual and technological production related to the topic and research project of the Institutional Project for Internationalization of the CAPES - PrInt Program of UPM.*

3.5 *To have presented work in scientific meetings as a speaker at first-line conferences in the area of competence.*

4. DURATION AND NUMBER OF SCHOLARSHIPS

4.1 The duration of the scholarships follows the planning of the Institutional Project for Internationalization of the CAPES - PrInt Program of Universidade Presbiteriana Mackenzie, which is in accordance with the Guidelines of the Call Notice No. 41/2017 of the Institutional Project for Internationalization – CAPES PrInt.

4.2 The term of effectiveness of the scholarships, at least 6 months and at most 36 months, is within the duration of the Institutional Project for Internationalization. Each call notice, according to the project, shall set forth the duration of the scholarships pursuant to the term of effectiveness set forth by CAPES.

4.3 Extension requests, within this Call Notice, are forbidden, according to the Guidelines of Call Notice No. 41/2017 of the Institutional Project for Internationalization - CAPES - PrInt.

4.4 Schedule I of this call notice states the number of Postdoctoral Scholarships in the country for 2023, for each research project, within the scope of the Research Project for International Cooperation – CAPES - PrInt of UPM, as well as the applications, admission, and results publication periods and the amount of the scholarship.

5. DUTIES OF THE COORDINATOR OF THE RESEARCH PROJECT OF PrInt

According to Call Notice CAPES 41/2017, the following duties are to the Coordinator of the Research Project CAPES/Print of the UPM, within the scope of this Call Notice.

5.1 To clarify doubts of the applicants, if necessary, about the work plan and the specificities of the Research Project for International Cooperation within the scope of the Institutional Project for Internationalization of the CAPES - PrInt Program of UPM.

5.2 To create an Applicant Admission Commission, which shall be formed by, at least, one (1) permanent professor of each of the postgraduate programs involved in the Research Project for International Cooperation within the scope of Institutional Project for Internationalization CAPES - PrInt Program of UPM.

- 5.3 To coordinate the internal admission of the applicants, ensuring that all the members of the Applicant Admission Commission [or their substitutes] participate.
- 1.1 In the admission of applicants residing abroad, comply with criterium of the CAPES - PrInt Call Notice with recommendations with respect to the countries of the institutions with which at least 70% of the resources of the partners must be allocated (Available at: <https://www.gov.br/capes/pt-br/centrais-de-conteudo/02022018Edital412017Printalteracaoanexo1.pdf> Accessed on: 06, Feb. 2023. COORDENAÇÃO DE APERFEIÇOAMENTO DE PESSOAL DE NÍVEL SUPERIOR).
- 5.4 To keep the original documents of the applicants that were granted the scholarship, for at least five [5] years, for any consultation by Capes and the control body.
- 5.5 To account to the Managing Group with a final opinion justifying the applicant chosen, according to the template of schedule II.
- 5.6 In the monthly meetings of the Managing Group, notify its members of the status of the work plan of the Postdoctoral scholarship student.
- 5.7 In case there is interruption in the scholarship for exceptional reasons, to duly justify it to the Managing Group.
- 5.8 To contact the Coordination for International and Inter-Institutional Cooperation (COI) for support regarding the procedures to obtain CPF (Individual Taxpayer's Registry), housing, bank account, and other services necessary to the approved applicants residing abroad.
- 5.9 It is to the coordinator of the project to request a free-form report of scholarship to the Postdoctoral student. The report must be requested 1 (one) month before the end of the term of effectiveness of the scholarship.

6. APPLICATION

- 6.1 All documentation required for the application must be sent via e-mail to the following address: **materiais.pos@mackenzie.br**. The application shall be made exclusively within the scope of the PrInt Research Project that is promoting the Scholarship.
- 6.2 The following documents must be sent by email:
- a) *Application form (Annex III) duly filled out and signed, stating the Supervisor, who must be part of the PrInt research project.*
 - b) *Curriculum Vitae, in free model for foreigners and in Lattes Platform model for Brazilians.*
 - c) *Copy of the identification documents: CPF (Individual Taxpayer's Registry) and Identification Card R.G. for Brazilians and passport for foreigners.*
 - d) *Support letter written by the prospective supervisor.*
 - e) *Foreigners applying to the grant that are not native speakers of Portuguese or English shall meet one of the following requirements:*

- To submit a letter by the prospective supervisor confirming that the applicant is sufficiently proficient in English or Portuguese to carry out the proposed activities.

- Submittal, for Portuguese language, of the Celpe-Bras certificate; or submittal, for English language, of one of the certificates described in item 2.1 of Schedule XIII of Call Notice-41-2017-Print (Available at: <https://www.gov.br/capes/pt-br/centrais-de-conteudo/EDITAL212017PrInt.pdf> Accessed on: 06, Feb. 2023. COORDENAÇÃO DE APERFEIÇOAMENTO DE PESSOAL DE NÍVEL SUPERIOR.).

6.3 *Work plan, with five (5) pages maximum, containing the schedule of the activities plan.*

Suggested items for the work Plan

- Title
- Brief introduction reviewing the relevant literature.
- Objectives and their connection with the themes of the PrInt Project.
- Methods to be used.
- Foreseen outcomes of the work plan.
- Schedule of the activities.
- References.

7 ADMISSION

The admission shall take place in three stages.

Stage 1.

This stage, of an eliminatory nature, will verify compliance with the following requirements.

- 7.1 Documents proving compliance with items 6.1 to 6.3 of this Call Notice. These items will be verified by the Admission Process Commission.
 - 7.1.1 Applicants that do not meet all the documentation requirements will have their application denied. The denial of the application at this stage prevents proceeding to the following stages.
 - 7.2 Verification of documents consistency: examination of the documents submitted for application, if the requested forms stated in this Call Notice are fully and correctly filled out.
 - 7.2.1 Incomplete applications and registrations unduly sent or sent after the deadlines established shall be denied. The denial of the application due to that requirement prevents proceeding to the following stages.

Stage 2

This stage will verify compliance with the following requirements.

- 7.3 Verification of the qualification of the applicant, which shall be formed by:
 - 7.3.1 Evaluation of the curriculum of the applicant upon verification of quality and regularity of the intellectual, technical, and technological production, which will be assessed in papers in scientific journals, b) books, c) chapters of books, d) full papers published in the proceedings of national and international scientific events, e) summaries published in the proceedings of national and international scientific events. These intellectual and technical productions will be scored in gross numbers.
 - 7.3.2. Presentation of works in scientific meetings as guest speaker or speaker in first-line conference in the area of competence.
 - 7.3.3. Coherence and scientific and academic merits of the work Plan according to the Institutional Project for Internationalization of CAPES - PrInt Program of UPM.
 - 7.3.4. The Coordinator of the Research Project for International Cooperation within the scope of the Institutional Project for Internationalization of CAPES - PrInt Program of UPM, with the admission commission, may assess the work plan on the basis of additional criteria that adhere to the goals of the Research Project for International Cooperation of UPM.

Stage 3

After stages 1 and 2, stage 3 will be carried out.

- 7.4. In view of the criteria described in 7.3, a classification list will be generated to ensure, in the event the applicant withdrawals, that the vacancies for Postdoctoral Scholarship in the country will be filled.

8. CLASSIFICATION OF THE APPLICANTS

The classification of the applicants due to academic merits shall consider the following issues:

- 8.1 Intellectual, technological, and technical productions listed in the Curriculum Vitae shall be indicators of classification in view of the number and qualification (in case of papers, by QUALIS CAPES A1 until B2 or by the Impact Factor)
- 8.2 Coherence and scientific and academic merits of the Work Plan according to the Institutional Project for Internationalization of CAPES - PrInt Program of UPM.
- 8.3 Significance of the Work Plan to the scientific and technological development of the area in medium- to long-term.
- 8.4 Potential outcomes of the Work Plan in terms of intellectual production, education activities (disciplines, courses, workshops), others.
- 8.5 Potential outcomes of the Work Plan in terms of international research collaborative networks.

9 TIEBREAK CRITERIA

In case of tie between applicants, the following tiebreak criteria shall be considered, in the following order:

- 9.1 Intellectual, technological, and technical productions of the curriculum shall be indicators of classification in view of the number and qualification (in case of papers, by QUALIS CAPES A1 until B2 or by the Impact Factor).
- 9.2 Coherence and scientific and academic merits of the work Plan according to the Institutional Project for Internationalization of CAPES - PrInt Program of UPM.
- 9.3 The Coordinator of the Research Project for International Cooperation within the scope of the Institutional Project for Internationalization of CAPES - PrInt Program of UPM, with the admission commission, may assess the adequacy of the Study Plan on the basis of additional criteria that adhere to the goals of the Research Project for International Cooperation of UPM.

10 RESULTS

- 10.1 The Pro-Rector's Office for Research and Postgraduate Studies will disclosure on the website <https://www.mackenzie.br/print/> the results and will send an email to the applicants informing the result of the admission process.

11. APPEAL

- 11.1 Appeal to the result must be received (via the same email address used for the application) within two (2) calendar days after the disclosure of the results.
- 11.2 The appeal shall be directed to the Coordinator of the Research Project of PrInt, who shall send it to the Group Managing the PrInt, which will analyze the claim.

12. GRANTING OF THE SCHOLARSHIP

- 12.1 Once all the requirements of the admission procedure are met, the applicant will receive a notice of grant by email informing the approval and requesting confirmation of interest within three (3) days, as well as the sending of the necessary documents so the scholarship may be granted.

13. SCHEDULE

- 13.1 The applications shall follow the schedule of indication of CAPES' scholarship students for the year of 2023, as follows.

Date of the Application Process	Publication of results	Evaluation and disclosure of the claims for review	Start period of the scholarship with CAPES
From February 13th to March 5th	March 8th	March 15th	July to September 2023

14. IMPLEMENTATION OF THE SCHOLARSHIP AND PROCEDURES REQUIRED BY CAPES

- 14.1 The implementation of the scholarship is made by Capes.
- 14.2 The passport with the visa to Brazil appropriate for the scholarship shall be obtained by the researcher and safekept by him/her.
- 14.3 It is entirely to the applicant to obtain the entry visa with the Brazil's consular representation in the country of origin. It is advisable to anticipate measures that may be taken after the implementation of the scholarship because some countries take time to process the granting of the visa. For such procedures, the applicant will be supported by the Coordination for International and Inter-Institutional Cooperation (COI) (<https://www.mackenzie.br/en/universidade/coi/institutional/about-international-office>).
- 14.4 The visa, which is under the sole responsibility of the scholarship student, shall be valid for the entry and stay in the country for the period of performance of the activities inherent to the Scholarship in the country.

15. BENEFITS

- 15.1 *In SCHEDULE XI of the Call Notice 41-2017-Print, the Amount of Items that may be financed may be consulted - SCHOLARSHIPS IN THE COUNTRY* (Available at: <https://www.in.gov.br/en/web/dou/-/portaria-n-1-de-3-de-janeiro-de-2020-236759939> Accessed on: 06 feb. 2023. COORDENAÇÃO DE APERFEIÇOAMENTO DE PESSOAL DE NÍVEL SUPERIOR.).
- 15.2 *This type of scholarship does not provide for payment of school fees nor additional for dependent.*

16. RETURN TO THE COUNTRY OF ORIGIN

- 16.1 When the grant period ends, the Postdoctoral fellowship terminates.
- 16.2 The communications, with respect to the accounting to Capes, shall be made by intermediation of the Coordinator of the Research Project.
