

# GP Investments

A Leader in Private Equity in Latin America

## Finance & Account Intern

GP Investments is a leading private equity and alternative investments firm. With offices in São Paulo, New York City, London, and Bermuda, GP Investments has raised over US\$5 billion and invested in more than 50 companies in Brazil and beyond. Our firm is best known for its deep involvement with its portfolio companies and a distinctive managerial model. This model's cornerstone is a culture that emphasizes values such as meritocracy, ownership, trust and a ceaseless commitment to achieving results. We seek to build long-lasting enterprises by putting in place strong governance and cost consciousness, the right incentives, and the right team.
