Department/Faculty: Law School
Graduate Program: Political and Economic Law
Degree <input checked="" type="checkbox"/> Academic Master's <input type="checkbox"/> Doctorate (PhD) <input type="checkbox"/> Professional Master's
Course Name Work: Production and Care
Professor(s) Patrícia Tuma Bertolin and Solange Teles da Silva
Office hours: 48 class hours
Course Overview <p>The discipline aims to elucidate the concepts and the scope of conceptions of productive and reproductive work and its impacts to the sexual division of labor. It aims to question the widespread conception of unpaid domestic work as a non-work, facing some of its effects, such as the late assimilation of domestic workers in Brazil to other employees. It also aims to analyze the various aspects of care activities, such as care economics, care ethics, time use and issues related to stratification and professionalization, among others.</p>
Topics outline The idea of working through history. The idea of work as a productive activity. The conception of unpaid domestic work as a non-work. The late assimilation of domestic workers in Brazil. The various faces of care activities: the ethics of care. The various faces of care activities: the economy of care.
