TO WHOM IT MAY CONCERN

This is a letter in support of the proposal "From Microscope to Telescope: Interdisciplinarity to Foster Human Development," currently being submitted by Universidade Presbiteriana Mackenzie to Coordenação de Aperfeiçoamento de Pessoal de Nível Superior (CAPES) within its internationalization call. I confirm my intention to collaborate within the proposed project by receiving students and researchers from Universidade Presbiteriana Mackenzie, as well as sending researchers from the IPCB-CNR to visit MackGraphe.

Please feel free to contact me for eventual additional information

Yours Sincerely,

Prof. Luigi Ambrosio
